MEET TEAGAN

Tegan is a first grader in our program. She loves to color and learn new things watching Wild Krats.

Q. What is the coolest thing about being you?
 A. Me and my best friend have the same shoes! We wear them every day!

Q. What is your favorite thing about your family?
 A. They love me and I love them. That makes us pretty special.

Q. What is your favorite area at CC?
 A. Snack area because you have the best chips!

OLDER KIDS RUNNING THINGS

Once a week our fourth and fifth graders plan and run activities for everyone in the program. They plan activities based on things that they want to do and things they want to share with everyone.

They run a variety of activities with lots of options for lots of kids. Some of the activities include; BINGO, face painting, origami, writing stories, making slime and oobleck, dodgeball and Sprout.

“I have a lot of fun running activities for everyone but it’s stressful. I understand how staff get stressed now.”

-Bennet

“I like that other kids can run clubs! I hope that when I’m in fourth grade I get to run cool clubs too!”

-Penny

GOTTA CATCH 'EM ALL!

One of our more popular clubs this month is Pokémon Club. For the first few meetings the kids focused on writing a club constitution and learning the basics of how to play. Eventually they would like to run a Pokémon tournament.

“We all need to decide on the rules now so we don’t have any arguments later.”

-Oliver

“Boys and girls can join this club! Pokémon is for everyone!”

-Alice

“I’m ready to battle my Pokémon now! I can teach you guys if you need help. I’m a Pokémon master!”

-Austin

“Look at this super rare card! I bet it’s worth a million dollars!”

-Ido
