## Halloween Carnival

The kids really put a lot of hard work into our last site event- The Halloween Carnival! They wanted to make sure that everyone was able to get goody bags, and participate in all of the games. Showing off their costumes and playing fun games they made great memories with each other and the staff. They have expressed an interest in party planning and budgeting, and can't wait to host our next family event.

"Did you see Jonathan's costume?" -Greyson

"I'm so glad we got to have our drink stand it was really stressful and fun." -Liam

"My activity was super fun people fell down a lot." - Hayden

Now Introducing!!

Hi my name is Kane.

Marissa: What is your favorite thing about CC?

Kane: I really love learning how to play piano with Owen in the afternoons, and jump roping has been super fun. I'm getting really good at them both.

Marissa: What is the next activity you really want to do?

Kane: I really want to do a dodgeball tournament or a paper airplane competition but more like the designing part.

Marissa: That sounds really cool Kane. What other sort of things do you like to do here at CC?

Kane: I really like doing all the cool activities especially sports ones with Zeke and Jonathan, but I also like the 5 o'clock activities at the end of the day sometimes I never want to leave.

### Cooking with Zeke

Pumpkin spice and sweet things go hand in hand and these kids enjoyed preparing and eating a holiday favorite PUMPKIN PIE!!

"Can I lick the bowl?" - Alexis

"How long do we have to wait until we can eat it?" - Isla

## Decoupage Jars with Destiny

Last week the kids learned about decoupage, and were able to use simple materials to transform everyday items into a works of art. It was a week long process as the kids thought of creative images to display on their jars.

"I chose to make little mushrooms on my jar."

- Rowan

I'm thinking of making something that looks like wolves howling at the moon."

- Mikaela

"I kind of just like playing with the midge podge."
