## Bandelier Children's Choice Presents: The 5<sup>th</sup> Grade Class

With the school year speeding so quickly by, we thought we would spend some time focusing on our 5<sup>th</sup> graders.

Over the next several weeks, we will conduct interviews with our 5<sup>th</sup> graders! Please enjoy this extra special glimpse into the 5<sup>th</sup> graders before they move onto bigger and better things!

**For our first round of 5<sup>th</sup> grade interviews, we took some time with Ari and Suri! These two are so close, Ari even let Suri feed her blindfolded one time!!**

**What's been your favorite part of elementary school?**

**Ari: Children's Choice! Suri: Ya!**

**What is your favorite part of being you?**

**Ari: No one can make fun of me because I'll tell them to leave.**

**Suri: I am not little!**

**What is the coolest part about being in 5<sup>th</sup> grade?**

**Ari: Freedom. Suri: Get in trouble less.**

**What is your favorite song right now?**

**Ari: "I swallowed shampoo" (we were quickly greeted by a live performance)!**

**Suri: "Breaking Dishes" by Rhianna**

**What's a question you want to be asked?**

**Suri: How many friends do I have? I would answer 25 and I will name them: Olivia, Jessie, you, River, Harper, Theo, Nate, Cruz, Maddox, Joshua and some others. Ari (answers Suri's question): 20 million**

**Ari: Do you love America? I would answer yes, then put an eagle going "Bakaaw." Suri (answers Ari's question): Yeah**

**What's the best part of playing Minecraft?**

**Suri: You get to go crazy. Ari: America Bakaaw**

**Do you have a favorite YouTuber?**

**Ari: Sylas. Suri: I like watching Minecraft players**

**Why are those your favorites?**

**Ari: I like the cookie guy, he is funny. Suri: Cuz Minecraft.**

**What do you want to be remembered for here at Children's Choice?**

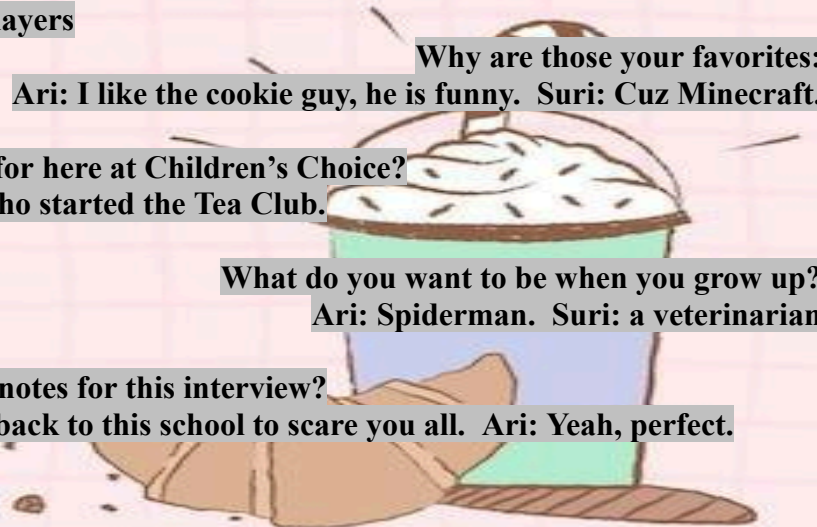

**Suri: To be remembered as the ones who started the Tea Club.**

**What do you want to be when you grow up?**

**Ari: Spiderman. Suri: a veterinarian**

**Any last notes for this interview?**

**Suri: Go educate yourself or I'll come back to this school to scare you all. Ari: Yeah, perfect.**

## Morning Games!!

Games Area has become a very popular place at Bandelier during morning program! We have a wide variety of games: card games, board games, dice games. How could you expect anything else? If you're around Bandelier in the mornings, you may even see spontaneous game tournaments breakout at any given time! We take our gaming very seriously. Some of our gamers have even moved onto more advanced games like Magic!

### Bandelier Fun!

Children's Choice is such a fun and creative place to grow and learn! Sometimes we get to take part in games and play that we could never imagine all on our own! Please enjoy these pictures and tales of imagination and creativity unique to the Bandelier community!

### The Terribly Ill Palm Tree:

One afternoon there was a very sick palm tree. Lucky for that palm it had an amazing team of doctors and nurses to take care of it! They monitored its heart rate with their state of the art heart monitors. We don't know if the palm would have made it without this hilarious team of medical professionals!

### Alphabetical Zoology...

Elliot's zoo from A-Z "Some animals have to be stand ins but it's close enough"

### Sleeping in class?

Rhiannon shows off her plan to fall asleep in class and not get caught. Shhh! Don't tell her teacher

### Food Fun

Ella gets creative with her snack and makes olive nails. I'm not sure that the olive manicure will gain major popularity, but we sure had fun with it!
