## New Mexico Sunset Paintings

This week, our young artists took inspiration from the stunning New Mexico sky! Using reference photos of real sunsets, the kids created their own one-of-a-kind paintings that captured the beautiful colors and landscapes of our home state. From vibrant oranges and pinks to deep purples and blues, each painting was unique, just like every New Mexico sunset. It was a fun and relaxing activity that encouraged creativity while celebrating the natural beauty around us!

## Hockey Day!

This week we played Hockey in the gym! The kids had a blast learning how to play with their teammates to move the puck down the court to get a chance to score. There was a lot of energy in the air, with everyone focused and eager to keep the game fast and competitive. With each pass and shot adding to the excitement and keeping everyone involved.

Quotes:

Natalie - "I did a good job at being a goalie!"

Camden - "I'm good at hockey because I'm really fast."

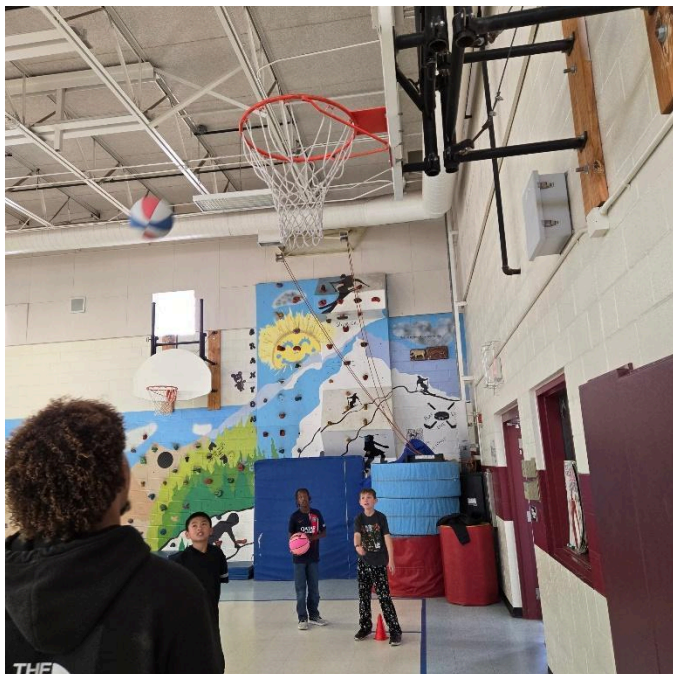

Jaxon - "We worked really well as a team!"

## NBA Skills: Three Point Contest

The kids had a great time participating in a three-point contest! It was a fun way to work on their shooting skills while fostering teamwork and friendly competition.

We loved seeing their enthusiasm and effort, and hope it inspires them to keep practicing. Look out for more NBA skills Challenges!

## JB News – Kid Interviews!

This week in **JB News**, our team sat down with Avi and Meredith, two of our amazing older kids! We had a blast learning all about their favorite things, from activities at CC to fun hobbies outside of the program. These two kept us laughing the entire time—their sense of humor made the interviews even more fun! Stay tuned for more awesome interviews as we continue to highlight the voices of our CC community.
