*NEW STAFF ALERT:
MEET ALEXIS!*

Alexis is excited to join us here at Bandelier. Alexis just got hired at Children's Choice ! She is very kind, playful, and a team player! Children's Choice isn't quite what she thought it would be but she is not mad about it! She jumped right in playing at our Summer Curriculum Planning Party and I'm sure you will see her jump right in to our environment at CC Bandalier

Derrick & Kelsey's Playdough!

Derrick has really been wanting to make his own playdough. So he asked Kelsey to create an activity with him where they made it with others. So they gathered the flour, baking soda and cream of tartar. Which they both expressed what is that? Why is required for playdough? They learned it makes it stronger than a normal binding agent. While these two may have been the master minds behind this activity it was a crowd pleaser as they ran it three times that day! There were many impressions of this club but playdough was not one of them as each person named what they made.

Horse Race Fun!

Pool Noodles No More!

One day outside, we were over battling with pool noodles and became bored with them so we thought up what else they could be.

Kole said "You can ride them like a pony" Cindra agreed. Whitley then named hers midnight and then Kole and Cindra names theirs. Asha thought we should race them and she would record!

And just like that, we were off and racing. Kole quickly took first as Whitley trailed close behind him. Kole definitely won but we all rode our horses into the sunset.
