Kid Spotlight Meet

Daisy!

Daisy is one of our super cool kindergarteners! She loves playing hide and seek with her mom and playing outside on the playground with all of her friends at CC.

What is your favorite food?

“I like the white sauce noodles that my mom makes!”

If you could have any super power what would it be?

“Dragon power! So, I can fly around everywhere and make sure that everything is good!”

What do you want to be when you grow up?

“I want to be a soccer player and play games all around the world!”

Charmed, I'm Sure

We love making jewelry! Everything from pipe cleaners and beads, to braiding friendship bracelets. This was our first time using real metal chains to add charms to. The kids did a great job using the jewelry crafting tools, and creating unique patterns of charms that reflected their own likes and interests.

Make Your Mark! Bookmark!

With so many avid readers in program we decided it would be fun to make our own bookmarks. The kids used cardstock, yarn and any other materials they wanted to create their own unique bookmarks. Some drew pictures, their names, and even used origami techniques to fold the bookmark into fun shapes. Anything can be a bookmark if you really think about it!
