Our Under the Sea adventure came to life!

Our younger voyagers spent the day exploring the wonders of life beneath the waves!

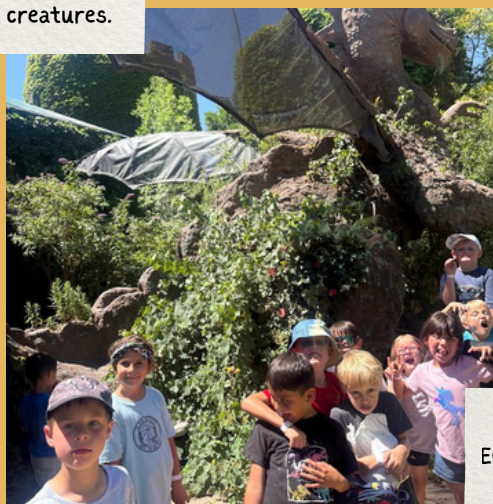

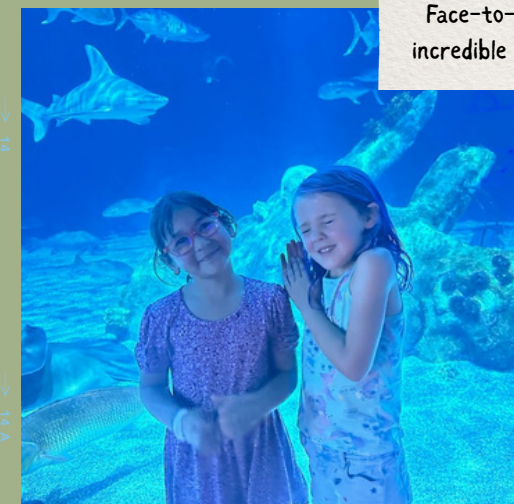

Campers observed colorful fish, fascinating marine animals, and underwater habitats while learning about the creatures that call the ocean home. From curious observations to excited discoveries, the aquarium was full of memorable moments and ocean adventures.

Making waves and memories.

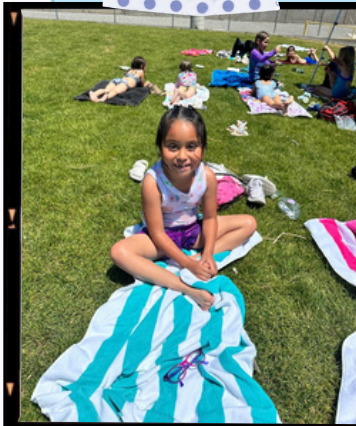

Face-to-face with some incredible ocean creatures.

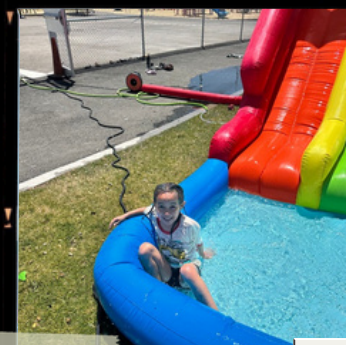

Every tank held a new surprise!

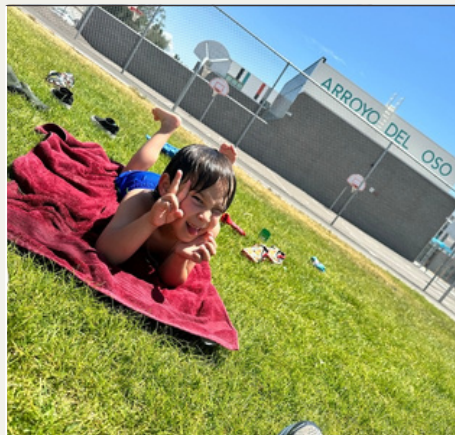

Destination: Water Play & Swimming

Anna testing out our new water play toy!

Making waves with friends!

Smiles, sunshine, and plenty of water!

From swimming and water play to cooling off with friends, our voyagers have been making the most of summer fun! Whether splashing in the pool, running through water games, or enjoying time outdoors, campers have stayed active, connected, and refreshed during these sunny summer days!

Nothing says summer like a splash!

The perfect way to beat the heat!

Best swim trick: Cannonball!!!!

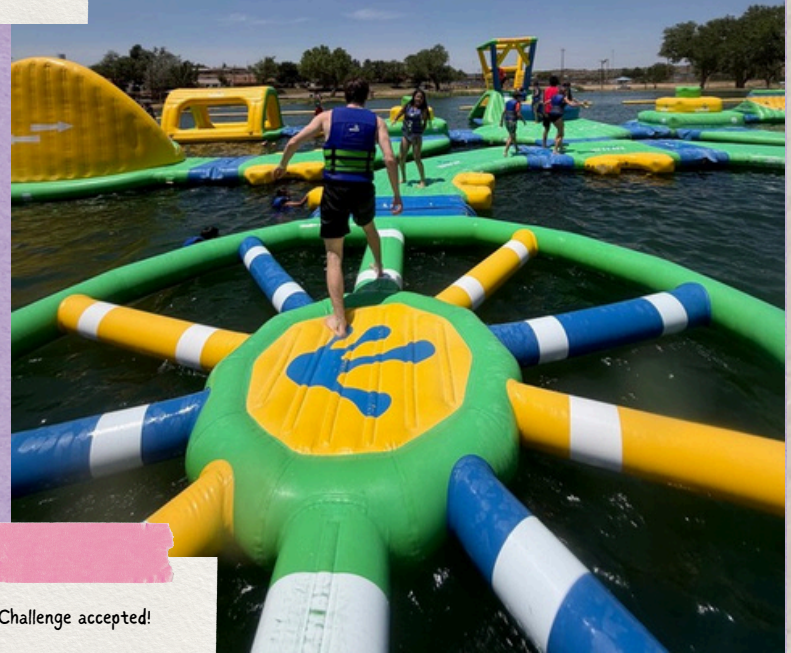

Destination: Older Unit at The Wibit

A day filled with adventure and teamwork!

Taking on the Wibit one obstacle at a time.

Challenge accepted!

One of the biggest adventures of the summer so far!

Our Older Unit traveled to Santa Rosa for an unforgettable day at the Wibit near Blue Hole. Campers challenged themselves on the inflatable course, supported one another through every obstacle, and spent the day enjoying adventure, laughter, and time together. The trip quickly became a highlight of the summer and a memory our campers won't soon forget!
