-Please have your ID handy so we can ensure everyone goes home safely. Thank you!

Welcome Back, North Star Wolves 🐺

Welcome to a brand-new school year at North Star! Whether your family is returning to us or joining our North Star community for the first time, we are so excited to have you with us. I'm especially excited to begin this school year as the Site Director at North Star. While this is my first year serving in this role, I have been part of the Children's Choice team for the past 8 years, and I'm grateful for the opportunity to continue growing with our organization and now serve the North Star community in a new way. As we begin this new school year, our team is looking forward to creating a fun, safe, and welcoming environment where every child feels supported, encouraged, and excited to learn and grow. We have lots of exciting activities, new experiences, and opportunities planned for the kids, and we can't wait to make this a year full of fun and memories! To our returning families, thank you for continuing to trust us with your children. To our new families, welcome to the pack! 🐺

Meet The North Star Team

Behind every great program is a great team, and we are so excited for you to meet the wonderful staff who will be caring for, supporting, and creating memories with your children this school year! Our North Star team brings a variety of strengths, personalities, experiences, and talents to our program. Each staff member plays an important role in creating a safe, welcoming, and fun environment where the kids can feel comfortable being themselves, build meaningful relationships, and have a great time. We encourage you and your children to get to know our team throughout the year. We're looking forward to getting to know all of you, too! We are excited to work together with our North Star families to make this a successful and memorable school year.
