Welcome to the Jungle!

Hey, Families - Welcome back!

You might see some changes around our community this semester...

First of all, we are in the jungle now! We don't know a lot about it, YET – but that is part of our journey this semester. We are going to face new experiences and challenges together (and hopefully learn the difference between a jungle and a rainforest along the journey).

Second, you might notice that there are a few new Jungle Guides/Caregivers and Pathfinder/Site Director here! Your new Pathfinder, Mack is SO excited to start a new journey at Osuna with new families and families that know her from summer camps!

Change is exciting and scary, but there is going to be a whole lot of fun and growth on this jungle journey! Returning and new staff pictures are on the next page, and come check out the bio board to read about returning staff!

Families, we need you to:

- Please bring ID in the first month back to school – new staff will be asking for ID until they become familiar with you.
- Send us a text or leave us a voicemail, if you know your child will not be attending CC in the afternoon, so that we know your child is where they are supposed to be!
