ART ATTACK!!

Athena

What are you making?

I'm coloring a kitty because I love kitties.

What did you learn in school today?

We went to the library.

What is your favorite part of school?

When we dance!

CC Stories in Paint

Our art area offers an open-ended space for our children to express their creativity, supporting their holistic development through creative exploration and hands-on discovery. With only a few weeks into the school year, they've created some amazing pieces using bubble wrap, pompoms, hot glue, and more!

"I created this process on my own. I just paint the bubble wrap, press it on the paper, and glue it. It makes these cool textures and patterns!" -Sawyer

Betty Liu

What are you making?

I'm cutting out these coloring pages

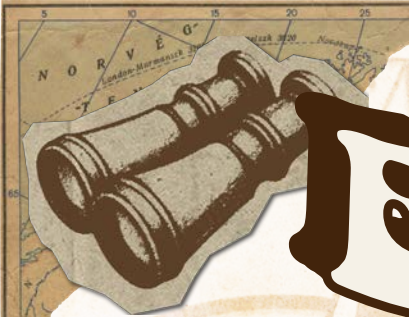

What is your favorite color?

Cyan!

What is your favorite thing to do?

Play soccer, swim, and zipline

EXPLORE

When STEM and Art COLLIDE!

With our Pendulum Painting Project, we **EXPLORED** the effects that gravity and mass have on different art mediums in our DIY pendulums. We used paint and markers, string, tape, rubber bands, dixie cups, and anything we could find in our imaginative Art Area to create our masterpieces!

D&D at CC

It's here! One of Bandelier's favorite traditions: **Dungeons & Dragons** club w/Casey! This club allows for creative storytelling through world-building, hard decision-making, and the luck of the D20!

Luxurious Airlines

Hop aboard the **Luxurious Airlines**, filled with fun dancing-with the activation of the recorder classic "Hot Cross Buns"!

"Can we use this as our aisle cart? We need a way to get people their fancy food on this plane!"
