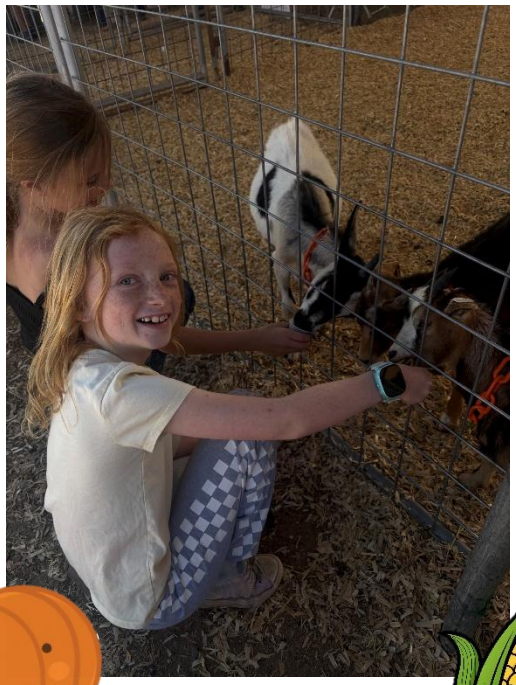
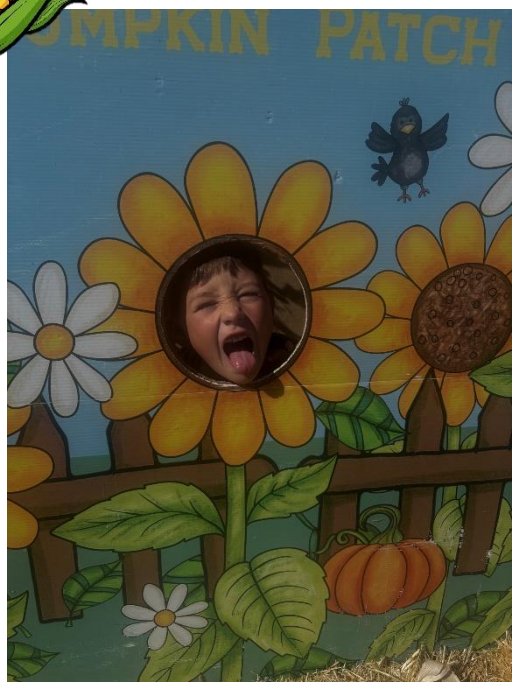
A Gourd Time At Galloping Goats!

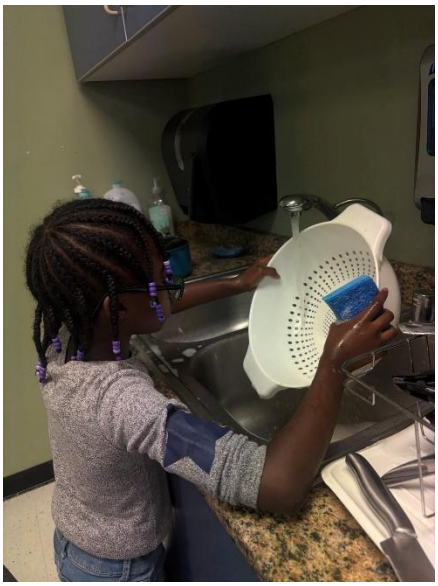
The kids had a blast celebrating their day off from school with a fun trip to Galloping Goats Pumpkin Patch! They got to pick out their own pumpkins and spent some time feeding the goats. The fun continued with exciting games like bowling and ring toss, along with plenty of time to explore the corn pit. The corn pit was a BIG hit, with some kids practically becoming one with the corn kernels! From pumpkin picking to friendly farm animals, there was something for everyone to enjoy. It was a day full of laughter, and fall fun that made for some wonderful memories!

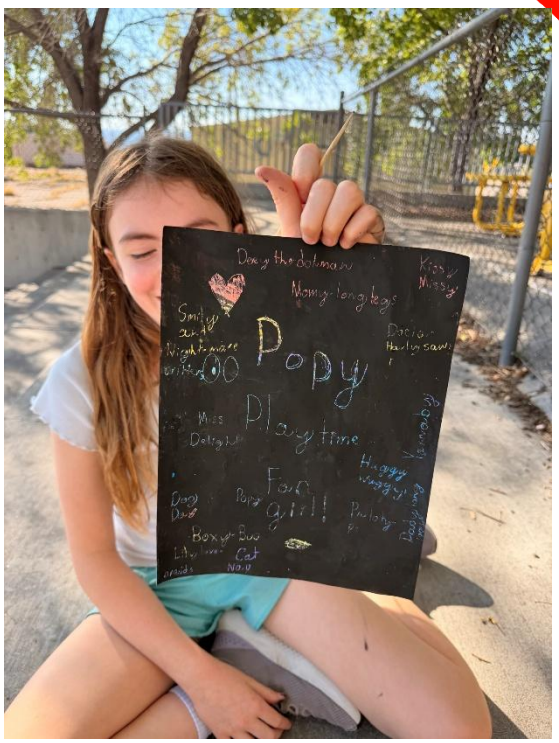




Taste of Tradition

In this activity, we explored Mexican culture through cooking, storytelling, and a little friendly competition! With Alice and Leena leading the activity, the kids learned about Mexico while making a popular Mexican street food called *elote*. They prepared fresh corn with butter or mayo, lime juice, chili powder or Tajín, and cotija cheese. We shared fun facts and personal stories about Mexico, even hosting a trivia contest that Emma C. won! The kids had plenty to say about their experience, with Saltina asking, "Can I do the dishes?" and Alice wondering, "Can I let everyone try the raw corn? My grandpa used to give us some from his farm, it's so sweet!" Edmond gave the dish a "10 out of 10," while Audric enthusiastically declared, "I love corn!"



DIY Magic Art


The kids enjoyed a blast from the past as they explored the fun of creating their very own scratch art! Everyone started by choosing their favorite color combinations before covering their colorful creations with black paint. The best part came when they got to scratch away the black layer to reveal their vibrant designs underneath! Each masterpiece was unique, and the kids did an amazing job.
