# OCTOBER ACTIVITIES

## OUR SUPER HALLOWEEN COSTUMES

This year for Halloween the staff all decided to dress up as superheros! The kids all dressed up for the annual Hubert Humphrey costume parade. The parade invites all parents and family to watch as the kids collect all of the class rooms and circle the field to show off their awesome costumes!

## AUGA FRESCAS WITH ALEYDA

in this activity, kids got to make their own DIY infused water/aguas frescas! Each small group got to choose a flavor they wanted to create using different fruits and ingredients. Everyone enjoyed mixing their ingredients together, experimenting with different flavors, and tasting their refreshing creations. All the flavors turned out delicious, but the watermelon and berry flavor was voted the best by all of us! This activity encouraged creativity and teamwork, while getting to try new flavors.

“once i tasted the watermelon i knew that was it” - talia

“i’ve been waiting for this activity” - nafi
